

## Associate Profile Srivatsa Kadaba

Srivatsa is a people and performance transformation expert with over 18 years of People development experience. He has in excess of 25,000 hours of training, coaching and consulting. Sri is passionate about helping individuals and teams achieve their goals by authentically leading themselves and others.

He has varied experiences across multiple and varied industries, both as an entrepreneur and as an employee. Sri capitalises on these experiences to deliver the right solutions to clients. He is adept at training multi-cultural groups and has facilitated programmes in India, Sri Lanka, Malaysia, China, Philippines, Hong Kong, Egypt, Poland, the UK and the USA. While he specialises in senior management development, Sri is effective in delivering high impact programmes across all levels of the leadership pipeline.

Some of the key differentiators that makes Sri so effective are his ability to connect with audiences very quickly through honesty and authenticity; his humor and his uncanny ability to use just the right example to help people get the insight from themselves.

*"I have had the opportunity to co-facilitate a couple of programs and it has been an awesome experience. Sri bring with him a wealth of knowledge and his ability to quote out of his reading is awesome. Sri has the ability to hold the participants of the workshop in his spell, and take them on an incredible journey. It has been a great learning and fun working with Sri."*
