

Associate Profile Sasi Panchal

Sasi is passionate when it comes to supporting organisations to unlock innovation, creativity and performance held within their greatest and most, valuable assets: leaders, teams and projects. She does this by actively engaging and developing an in-depth understanding of clients' needs and translating them into business solutions that support individuals, teams and organisations to deliver sustainable change.

Sasi has over 20 years of project and change management experience in the pharmaceutical industry. During this time, she has managed and led global matrix teams and projects to fruition. Over the last decade she has delivered internal leadership coaching to senior leaders, specialising in developing talent through cross cultural coaching.

Sasi now delivers; leadership and team development, coaching; facilitation; project and business change management.
